

Cosmo Films Announces Participation in Paperex Exhibition and Label Expo China 2023

New Delhi, 22 November 2023: Cosmo Films is a leading global manufacturer of specialty films for packaging, labelling, lamination, and more, proudly announces its participation in two major industry events in December 2023. Cosmo Films will be showcasing its innovative products and solutions at the Paperex Exhibition scheduled between December 6-9, 2023, and Label Expo China which is scheduled to be held between December 5-8, 2023.

Paperex Exhibition, to be held in Greater Noida, is one of the most prominent exhibitions in the paper industry. The event serves as a platform for industry leaders to come together, exchange ideas, and explore the latest advancements in the paper and packaging sectors. Cosmo Films will feature a wide range of products that cater to the specific needs of the paper industry, including specialty films for paper lamination, packaging, and label applications. Visitors to Cosmo Films' booth will have the opportunity to engage with the company's experts and learn about the latest developments in sustainable and eco-friendly solutions.

Simultaneously, Cosmo Films will also participate in Label Expo China, taking place in Shanghai. Label Expo China is a premier trade show for the label and packaging industry. Cosmo Films will present its innovative range of label films, adhesives, and substrates that empower businesses to create distinctive and visually appealing labels for their products. The exhibition will provide attendees with insights into how Cosmo Films' advanced labelling solutions can help enhance brand identity and market presence.

Sharing his views on the same, **Mr Kulbhushan Malik, Global Business Head - Cosmo Films**, said, *"We are excited to participate in both Paperex Exhibition and Label Expo China in December 2023. These exhibitions provide us with an excellent opportunity to connect with industry professionals and share our latest innovations in the field of specialty films and labelling solutions. We look forward to engaging with visitors and demonstrating how our products can meet their unique requirements while also contributing to a more sustainable future."*

Cosmo Films invites all attendees, industry experts, and partners to visit its booths at both Paperex Exhibition and Label Expo China. The company's representatives will be available to discuss innovative solutions, answer questions, and explore potential collaborations during the exhibitions.
